Synodical Group Makes Plans to Raise $10,000

375 CHURCHES YET TO EQUAL LAST YEAR'S SUMS

If These Churches Could Equal Last Year's Totals, Barium Would Receive $13,794.78

On February 29, 1940, 375 churches or mission points in the North Carolina Synod were yet to equal their 1938-1939 totals to Barium Springs. If everyone of those 375 could give sums in March that would bring the current year's total up to last year's aggregate then Barium Springs would receive $13,794.78 from those 375 churches, besides that which would be contributed by the 156 that have already equalled or surpassed the 1938-1939 gifts.

Of the 375 churches, 25 of them lacked less than $1.00 of coming up to last year's total; 80 of them between $1.00 and $4.99; 61 of them lacked from $5.00 to $9.99, and 209 of them needed $10.00 or more to be classified with the equallers and exceeders. It is known that in the first nine days of March more than a dozen of those 375 churches had forwarded sums that made a transfer of them necessary. This transfer will be made later, for the information prepared for The Messenger has to be done on a monthly basis.

Below will be found the names of the 375 churches and the amount needed (only figures are given for those needing $10.00 or more):

MAGAZINE SALESMEN ARE MAKING FALSE CLAIMS

Public Warned to Beware of Solicitors Claiming Present or Prior Connection Here

Magazine salesmen are again touring North Carolina and are soliciting subscriptions under false pretenses, claiming to be graduates of the Presbyterian Orphans' Home at Barium Springs, said Jos. B. Johnston, superintendent. This has been twice called to his attention in March, the first being a long-distance telephone call from a party in Morehead City and the second being in a letter from North Wilkesboro where one young man claimed to be a graduate of Barium Springs and another claimed to be a current resident of the Home.

"No graduate of Barium Springs," said Mr. Johnston, "has ever been given any authority to solicit magazines," and the superintendent emphatically declared that anyone claiming to have been a resident here is an imposter and a fake. "These salesmen consistently use this ruse," he further continued, "to incite the sympathy of people in giving them subscriptions to magazines and quite frequently the money is taken and subscribers never receive any pub-

GOOD NEWS

Just before going to press with the March issue of The Messenger, the good news was received here that Salem Sunday School, in Orange Presbytery, has adopted the Offering-per-month plan, devoting the first Sunday contributions to Barium Springs. It is a pleasure to add this Sunday School to that ever-increasing number of "once-a-monthers".

As the new 1940-1941 year gets under way, it is hoped that a good many other Sunday Schools will incorporate this plan in their program, and when such happy news is revealed to officials at Barium Springs, a public announcement will be made of it. Almost 300 Sunday Schools now regularly help Barium Springs.

156 CHURCHES ARE AHEAD OF LAST YEAR'S TOTALS

During Feb., 19 Additional Churches Transferred to List of Exceeders

During February, 19 more churches in the North Carolina Synod made contributions of sufficient magnitude to merit the distinction of being listed with those churches and mission points of the North Carolina Synod which have either equalled or surpassed the 1938-1939 totals. That brings the number to 156 in this notable category, for 137 had been tabulated in the February issue of The Messenger.

The April issue of The Messenger will carry pictures of the 1940 graduating class, so the next appearance of exceeders will be in the May Messenger, when all gifts of the year will be in hand when a final enumeration of such churches will be made. Watch for the list and see how this roster of churches grows by the year's end.

Below are the 156 churches having won this classification by February 29th:

Albemarle Presbytery—Ballard's (same), Bear Grass, Bethlehem, Grantham, Hollywood, Jason, Poplar Point, Roberson's Chapel, Rocky Mount Second, Runnymede, Wilson.

Concord—Beattie Memorial, Bridgewater, Clinchfield, Concord First, Conley Memorial, Drusilla, Fairview, Franklin, Glen Alpine, Hickory First, Landis, Morganton, Oakdale, Oakwood, Old Fort, Quaker Meadow, Salisbury First, Setzer's Gap, Sherrill's Ford, Spencer, Statesville First, Tabor, Taylorsville, Waldensian, West Marion.

Fayetteville—Berea, Bethel, Bluff, Buie's Creek, Cameron, Cape Fear, Carthage,

Notice Treasurers

All treasurers of Churches, Sunday Schools and Auxiliaries are urged to place the final checks for the Orphanage in the mail not later than the morning of March 28th so that the contributions can reach the Orphanage on March 30th, the date when the 1939-1940 fiscal year ends. It may be impossible for some few checks to reach the institution by the 30th, so the receipt books will be open a few days to receive these. However, it is hoped that the majority of the funds will be received by the closing date, and that final receipts the early part of April will constitute only a small part of the income for the Loyalty Month.

Iredell Civic Clubs Here On March 29

On Friday, March 29th, several hundred men, their wives and children (and in case the men do not have wives they are permitted to bring sweethearts) will gather together at Barium Springs for the annual supper for the five Civic Clubs of Iredell County - two in Mooresville and three in Statesville. The doors to the dining room will be swung open promptly at 6:30 o'clock and the attendance at this 17th annual Civic Club affair seems destined to establish a new all-time peak, based upon the inquiries that have been received here about it.

The main foods on the menu that night will be sausage and grits, for that is the request of the Civic Club members. They seem to like this Barium sausage and one Club member recently remarked that his wife never would eat sausage at home but when she came to Barium Springs for this

Orphanage Work Secretary Says

(Guest Writer: Mrs. John D. Gold, of Wilson.)

Wilson, N. C.,
March 1, 1940

Dear Friends,

Albemarle Presbytery is a far cry from the Presbyterian Orphans' Home at Barium Springs. However, all up and down the flat stretches of this gigantic Presbytery from the lush waters of Currituck Sound to the wide tobacco fields of Wilson, Pitt and Greene counties, the Orphanage is well known and beloved by Presbyterians. The children at the Home are like familiar neighbors to us, we call many of them by name. In fact, many of them came from this section of Eastern Carolina. Oh yes, Albemarle is close to Barium after all, spiritually if not geographically.

I have made it my business to study the audiences at our gatherings of the Woman's Auxiliary of Albemarle Presbytery, Group Conferences, Presbyterial meetings. I know what I'm talking about: when the presiding officer introduces the Orphanage the faces of the women light up, there is that indefinable something in the audience that is heart-interest. Oh yes, the women love the cause of the Orphanage, even the woman indifferent to so many phases of the Lord's work is interested in Barium. We women can't help it. The Lord made us the mothers of men, and we can't help being interested in children because that's our business. I've always said women did not deserve any credit for the unselfishness of motherhood; it's a God-given trait as much a part of us as the color of our eyes. This unselfishness makes us love all children and is the secret of our interest in Barium.

At this time we of Albemarle are keenly interested in the contributions for the building units that will replace Alexander Hall. It has been gratifying to see the quick response with receipts already ahead of expectations.

We are putting on an intensive Spring drive in Albemarle to raise our quota. As secretary of orphan-

BARIUM TEAMS ARE CHAMPIONS

Boys And Girls Win Both Titles in South Piedmont Basketball Conference

Hail the championship basketball teams of 1940 in the South Piedmont conference! That salute goes to both the girls' and boys' basketball outfits of Barium Springs, and the double championship is extremely rare in this particular conference which is composed of some of the most powerful hardwood court teams in this section.

This is only the second time in the 11-year history of the conference that one school has won both championships in the same year. Children's Home, of Winston-Salem, won both titles in 1938.

The winning of the No. 1 title for the Barium girls was a repetition of their 1939 accomplishment, for the local sextette was champion of the South Piedmont conference last year and continued their excellent playing where they left off about a year ago. In 1939, the Barium girls went through the season undefeated with 14 victories, and in 1940 the only defeat marring a perfect record was that administered by Children's Home of Winston-Salem when Barium met the Methodist orphans on their own court. Incidentally it was the

"EVERY WOMAN GIVING SOMETHING" SLOGAN ADOPTED AT SANFORD

Almost Perfect Attendance of Committee on March 5.— All Presbyterial Presidents There

WAS INSPIRING SESSION

June 30th Dead-line for Completion.- Publicity Committee Named

An almost perfect attendance of an enthusiastic committee appointed by Synodical to direct the raising of $10,000 for one of the proposed units to replace Alexander Cottage was held in Sanford on Tuesday, March 5th. It would have been thrilling if all of the more than 27,000 ladies in the Synodical could have witnessed that assembly and listened in on the discussions.

There are 17 official members of this committee, nine of whom are Presbyterial Presidents. Every one of those Presbyterial Presidents was present that day, with six other committee members. Only two were absent, one of these being out of the state at the time and the other detained by illness in her family. In attendance at the conference were Jos. B. Johnston, superintendent of the Home here, and Ernest Milton, treasurer, who were present to answer all questions of the committee.

Mrs. C. E. Raynal, of Statesville, Synodical Secretary of Orphanage Work, presided and Mrs. Coit M. Robinson, of Lowell, Synodical Recording Secretary, was present to act as secretary of the meeting. The session at 11 a. m. was started off with each person present giving a verse of Scripture followed by a series of sentence prayers with almost everyone participating.

Following this Mrs. Raynal outlined the purpose of the meeting, which had been called to familiarize the committee members with the project, to set a time for the raising of the $10,000, to adopt a slogan, to devise ways and means of raising the funds, to suggest publicity methods to be used, and to discuss any other particular matters pertaining to the successful carrying out of the resolution adopted by Synodical at its Rutherfordton meeting last fall.

After her remarks Mr. Johnston was asked to explain the construction of the buildings, giving minute details as to the floor plan, and any other matters of interest

These exercises are scheduled for April 21st and 22nd, with preliminary events occurring on Friday and Saturday immediately preceding.

News From Some of the Cottages

HOWARD

Glad to be back again on this beautiful day. Spring is almost here and we are glad!

We have been having a lot of basketball games and our girls are leading the conference to date.

We went to the show a week ago and saw 'Gulliver's Travels." We sure did like it a lot.

Two more months and school will be out and we will have vacations to look forward to.

Our matron, Mrs. Moose, fell on Sunday morning and fractured a small bone in her arm, we are sorry to say. We are sure she will get over it soon.

Some of our girls have had visits from their people.

Mrs. Moose's people came to see her one day last week.

Miss Nannie Johnston, who stays at our cottage, went to her home near Charlotte this weekend for a visit.

ANNIE LOUISE

It seems only a short time ago that we wrote you last.

We are all getting along just fine in our school work. Lorene Hall, Anne Wicker and Callie Dunn made the honor roll. We are proud of them.

Mr. Johnston's birthday was the second of March and the Virginia Hall Mission Band had a surprise party for him. Everyone that went had a good time.

We went to a show not long ago to see "Gulliver's Travels" and it was a mighty good show, too.

Anne Wicker had a little party on her birthday. We got up a little play and gave it. Then Anne served cake and candy. We all had a nice time. Anne Wicker, Betty Lou Hooten and Lorene Hall went to the birthday table in February.

Our jonquils are blooming and we think they are lovely.

We shall be playing our class games of basketball before very long. We have lots of fun when we play them.

Juanita Young had a nice visit from her father last Sunday, and she surely was glad to see him. Betty Joe Smith's sister, Marie, was here also. She brought her baby, Patricia.

We're mighty proud of our basketball teams, which will get loving cups for being 1940 champions.

Those of us in the second grade had a grand time at Tommy Cook's pretty Valentine party.

BABY COTTAGE

Time certainly does fly when it comes to writing news.

We have been having a spell of pleasant weather lately. However, this weather is just our type of weather.

We all enjoyed the show about "Gulliver's Travels."

Did someone ask if we had any cases of chicken pox? Fourteen out of twenty-eight babies have had it so far. That's a fifty-fifty record.

We have been going to a good many basketball games and wrestling meets lately. We sure do enjoy seeing them.

Kazzie Mae Hilliard, Jackie Williams, and Dwight Reid have had visits from their folks. It's good to see you and since the weather is improving we hope to see many more of you often.

We may be what is called over anxious but we have already started counting the number of days we have left in this school term.

Junior Lybrand, Albert Clough, and Charles Stevens all had birthdays this month. Albert is our youngest boy and he is four years old now.

Jack Weeks led our "setting-up" exercises last week; also our devotional period.

The Baby Cottage received a very pretty picture from the Beginner's Department of the Sunday School at Davidson. Thank you, little folks, for the picture.

WOMAN'S BUILDING.
First Floor.

Any one hear? Well I just dropped in to tell you the news and if you know what's in store for you, you'll stay a minute or two.

First, I'll start with a big surprise for everyone (which is concerning basketball). Our boys and girls won the conference championships and were we glad.

We have two pretty trophies to show for our championships. This makes the second time the girls have won. It seems to be a habit with them, or at least we hope so.

The girls on the squad who stay on the first floor are Grace Coppedge, Agnes Coppedge, Wilma Jessup, Mary Ann McCormick, Sallie Farmer, Thelma Robards and Nancy Parcell. Most of these girls graduate in April (but let's not mention that now because we hate to think of leaving our home where most of us have stayed most of our life).

Everyone seems to be taking advantage of their show tickets which was a Christmas present to all of us. Most of us went to see "I Take This Woman" and thought it was very good. But the talk now is "Gone With the Wind" which a few are hoping to see.

On March 2nd we had a birthday party for our "dad" and was he surprised!

The Senior Class has elected their mascot and she is Hilda Donaldson, daughter of Mr. and Mrs. Lafayette Donaldson, who are now living near Barium.

One of our girls, Sara Parcell, has been having trouble with her ear. She had an operation for mastoid but now she's back home and we are mighty glad.

Well, since I said I'd only stay a minute I'll close with hopes that you'll visit us soon.

—Mary Ann McCormick.

LEE'S COTTAGE.

The time has rolled around and we find ourselves bringing more news from our cottage.

The marble season is well on now and the boys are having lots of fun playing. Richard Shoaf, Raymond Good and Billy Everett are racing for the championship of our cottage.

The basketball season has come to an end. We are proud of having won the South Piedmont Conference for both the girls and boys.

A number of the boys are interested in raising chickens. At the present time Herbert McMasters, Stanley Smith, O. D. Munday, Wilfred McLelland and Bobby Whittle are spending their spare time in the business. Charles Smith has added to his collection of animals a beautiful flock of pigeons.

Miss Turner spent the week-end visiting her friends in Charlotte and Gastonia. Miss Mary Neill was subsitute matron while Miss Turner was away, and we enjoyed having her with us very much.

We were glad to see our friend, Ray Lewis, out to one of our basketball games. We hope he is soon going to be able to come back to the cottage to live.

Marshall Norris had a pleasant surprise recently when two of his clothing people paid him a visit. They brought us a lot of good magazines which we appreciated very much.

Your news commentator was happy to have a letter from a good friend whom he had not heard from for a long time, through the writing of this column.

We will be bringing you the news again next month. Until then, "so long".

—Jack Weeks.

SYNOD'S COTTAGE

We're back again to tell you what we've been doing since you last heard from us.

We all went to see Gulliver's Travels. It was real funny and we all enjoyed it so much. Some of us are still talking about it.

Jimmy Hayes had a mastoid operation, but he is well and back with us now.

Since you heard from us last we have added another boy to our number. He is Johnny Merony.

Basketball season is over for our big boys and girls. But not for us. We will be playing class games pretty soon.

We only have seven more weeks of school. We can hardly wait until it's out.

Marble season is here again. We have lots of fun with them during our playtime. We certainly will be glad when it gets warm enough to build tents. Some of us are trying to rush the season up a little.

It won't be long until the civic club supper. We hope to see all of you friends up.

Mr. Johnston had a birthday this month. We hope he'll have many more happy ones to follow.

Tommy Cook had a Valentine party and those of us lucky enough to be in the second grade were invited.

—The Synod Boys.

INFIRMARY

Here we are with a few lines of news from our cottage. Mr. Johnston had a birthday Saturday, and the Virginia Hall girls and Miss Carpenter surprised him with a party. We all enjoyed it and hope he has many more birthdays.

Charlie Sears, a former Barium boy, came by the other night and brought fruit to the patients. We didn't get to thank him in person, but we want him to know that we appreciate it.

We have four patients from the hospital; Ray Lewis, Sara Parcell, Myrtle Mills, and Paul Barnes. They are getting along fine.

Albert Clough and Jerry Ennis are our only chicken-pox patients. We are hoping they will be up before this news reaches you.

Our school will be out in April, and we have twenty-five to finish this year. This includes our best basketball girls. Our basketball season is over, and the boys and girls came out on top.

Sadie and Myrtle Mills had a visit from their mother. We both enjoyed it.

Ray Lewis had a little visit from his clothing people. He enjoyed it and also the fruit they brought him.

Our number of patients has been little compared to most institutions. We have been greatly blessed this year.

Geraldine Blue had a birthday Sunday, and Louise, Lily and Sadie enjoyed giving her the works.

Mrs. McNatt is expecting her daughter sometime this week.

—Sadie Mills.

lications for which they have paid."

The Barium Springs superintendent further pointed out that absolute credentials would be given and available for presentation should any former student be authorized to make such solicitations. **"We consistently deny such claims each year," said Mr. Johnston, "and we would like for anyone solicited under such circumstances to communicate with us immediately in order that they might not be swindled out of their money."**

The two young men touring the North Wilkesboro territory gave their names as Eddie Morris and Jack Buckner, both of whom claimed that they were working for scholarships to enter Davidson College next fall and both expected to enter the ministery. They claim to be working for the Union Circulation Co., 5 Columbia Circle, New York City. No names were given in the Morehead City telephone call, but Mr. Johnston was able to deny the claims without any names being furnished him.

In recent years imposters have "worked" in Clinton, Tarboro, New Bern and Gastonia to the knowledge of Barium officials, to whose attention this has been called by individuals in those localities.

supper she always took at least two helpings.

From Statesville will come the Kiwanis, Rotary and Lions Clubs and from Mooresville will be the Rotary and Kiwanis groups. Good weather is conducive to larger attendances, but that doesn't play as big a deterrent in the people coming to this supper as it affects attendances at some other activities.

In addition to the meal, some of the Barium children will prepare a program for the entertainment of the visitors. A platform is always erected in the dining room and after the meeting the visitors can sit back and enjoy the performance of these Barium boys and girls.

The clubs make a contribution to the Home for this supper, generally using 50 cents per person as a basis for their gifts and quite frequently add something to what this would amount to as an expression of their further appreciation of this annual meal, which is largely made up of foods raised on the farms here.

TOURNAMENTS

Paw Creek's Girls and Claremont's Boys Win Mid-Piedmont Championships.— Other Tournament Notes

The 1940 champions of the ninth annual Mid-Piedmont basketball tournament staged at Barium Springs on February 15-19th were Paw Creek's girls and Claremont's boys. These finally triumphed and emerged to be crowned 1940 title holders from a field of 32 teams that started out in the tournament on the first day.

Paw Creek's girls won their fortieth consecutive game on February 19th when they turned back Catawba's girls by a score of 25 to 19. Catawba had won the title in 1939 and was therefore the defending girls' champion. Claremont's boys edged out Rock Springs, 30 to 25, on the final night, which was a great climax to some close and exciting tussles, particularly those in the semi-finals and finals.

The field of 32 teams included representatives from nine counties within a radius of 60 miles of Barium Springs and three counties were represented in the final contests. This annual affair is sponsored by the Barium Springs Athletic Association, the proceeds of which are used to finance the athletic program here. Income is derived from the refreshment stand and admission charges.

Loving cups went to the two winning teams and gold basketballs to the individuals on the victorious contingents. Silver basketballs were given those on runner-up teams. Foul-shooting trophies went to Helen Willard, of Sedge Garden, and Richard Feimster, of Scotts, for caging 19 and 20 fouls, respectively, in 25 attempts. Cool Springs' team was selected as the best-dressed sextette. Emblems were later sent to to those named on all tournament teams.

The all-tournament selections follow:

Girls: Forwards, Elliott (Catawba), Morrow (Claremont) and Nantz (Paw Creek); guards, Lassiter (Paw Creek), M. Barker (Rock Springs), and M. Stewart (Catawba).

Boys: Fowards, Deal (Claremont) and VanPelt (Paw Creek); center, McCall (Rock Springs); guards, C. Deal (Sharon of Iredell) and C. Bost (Claremont).

The following are tournament scores in the preliminaries, quarter-finals and semi-finals:

Girls' Division.

Preliminaries: Rock Springs 24, Harmony 11; Claremont 12, Troutman 11; Sherrill's Ford 13, Scotts 10; Sedge Garden 25, Celeste Henkel 9; Sharon (Iredell) 20, Huntersville 10; Newell 20, Brawley 13; Catawba 30, Cool Spring 9.

Junior Mid-Piedmont.

Catawba's girls and Barium Springs' boys are 1940 champions of the Junior Mid-Piedmont tournament that was staged here on March 7th, 8th and 9th. Catawba's girls defeated Barium Springs' sextette, 22 to 20, in the finals on Saturday night, and the Barium Springs' quintet won over Spencer, 31 to 16. The former game was far more exciting as indicated by the close score.

The tournament was so arranged that a team had to be defeated twice before it was eliminated from the play. This added considerably to the interest. Large awards were presented to the two teams which won all three of their games and smaller ones went to those aggregations which won two and lost one. The girls of Spencer, Troutman and Barium Springs and the boys of Statesville, Scotts and Spencer were awarded these smaller trophies for having lost only one game.

Others participating in the tournament were girls' contingents from Newton, Spencer, Harmony and Celeste Henkel and boys' aggregations from Newton, Catawba, Troutman and Harmony.

Other Tournaments.

It was reported last month that the Barium girls reached the finals in the State Orphanage Tournament, only to be defeated by Children's Home. The Barium boys lost in the first go-'round of the same tournament. The Barium boys entered the Salisbury tournament of March 7th, 8th and 9th. They first drew a bye; then dedefeated Lexington, 40 to 25, in the semi-finals and lost to Kannapolis by a score of 29-33 in the finals on Saturday night, March 9th.

Barium Teams Are Champions

Barium's boys won their first basketball championship this year since entering the South Piedmont conference. Neither did the quintet have a perfect slate of victories for the season, for two-point losses were administered to them by Spencer and Lexington. However, they won 12 and lost 2 to have the highest percentage in the conference, all other teams losing more than a couple of encounters. The girls won 13 and lost the one game mentioned above. Barium's boys were defeated in the preliminaries of the State Orphanage Tournament.

These titles were won on percentages of .929 for the girls and .857 for the boys. The final standing of all teams in the South Piedmont conference is as follows:

From the boys' standpoint, the locals tallied 514 points, an average of 36.7 per game; in contrast was the average of 23.9 points per tussle for opponents, who made an aggregate of 334 for the 14 contests.

Eight players participated in the 504 points which the varsity girls scored in their 14 games with South Piedmont conference conference opponents. Agnes Coppedge led with 183 points, followed in order by Wilma Jessup, 164; Lorene Brown, 103; Ruth Cole, Flora Mae Newnam and Elizabeth Robards, 15 each; Johnnie Burgin, 7 and Grace Coppedge, 2. Marjorie Lail, Mary Ann McCormick and Grace Coppedge did most of the guarding this season.

Barium Is Third In Wrestling Tourney

Barium Springs tried hard to regain its state wrestling crown lost to Greensboro high last year after a five-year supremacy by the locals, but it was Durham high which stepped in to take the 1940 title in the annual state high school wrestling tournament concluded at Chapel Hill on Thursday, February 17th. Durham high won with 26 points. Greensboro was second with 20, and Barium Springs third with 14. High Point and Salisbury, the two other participants, garnered eight and six points, respectively.

Barium Springs had four men in the finals, but only Jesse Weeks came through to win his match in an over-time period with John Poe, Durham, and thus be crowned individual champion in the 125-pound weight. Mott Price, Tommy Adams and Donald Bolton lost their bouts by decisions, Tommy Adams' match going into an overtime period.

In the preliminiaries, McKenzie had won over Warren, Greensboro, but he lost in the semi-finals. Adams had thrown Reavis, Greensboro, in the preliminaries, and Beshears had decisioned Sides, Salisbury, in the initial matches. Howard Beshears lost in the semi-finals. McCall, Barium, lost his initial bout. Lacy Beshears and Ben Lewis, the other Barium boys in the tournament, were eliminated in the semi-finals after drawing byes in the first day's matches.

$100.00 S. S. Clubs

Forty-six Sunday Schools in the North Carolina Synod had made the $100.00 Club at Barium Springs by February 29th. This is a club composed of Sunday Schools which regularly send the Home as much as $100.00 in a year's time. Close to 20 other Sunday Schools will occupy seats in this club by the end of the year, unless something radically happens to the giving of the organizations to Barium Springs in the month of March.

Barium Springs entered the final month of the 1939-1940 fiscal year with receipts $4,047.99 greater for the first 11 months than in the corresponding period of 1938-1939. Here's the way that increase was divided:

Regular Income	$ 639.88
Thanksgiving Offering	3,408.11
Total Increase	$4.047.99

Will that increase be maintained in the final month of the current year? If the answer to that query is going to be in the affirmative it will be because of larger regular giving to the Home at Barium Springs and not because of the Thanksgiving Offering. Records show that in March and the first few days of April last year that slightly over $1,600.00 Thanksgiving Offering was received at Barium Springs, while a thousand dollars of Thanksgiving Offering is expected in March of this year. In other words, the Thanksgiving Offering has arrived with more alacrity in 1939-1940 than in 1938-1939.

The total Thanksgiving Offering in hand is, of course, greater than the final sum for 1938. The net gain to date is $1,799.32. Thanksgiving Offerings from Fayetteville Presbytery in February enables the announcement to be made that Fayetteville joined Concord, Kings Mountain and Orange Presbyteries in showing increases at Thanksgiving-time. Increases from these Presbyteries have been Concord, $1,832.68; Orange, $651.-20; Kings Mountain, $573.35, and Fayetteville, $341.52. These four Presbyteries made a combined increase of $3,398.75 in their Thanksgiving Offerings, which has been offset by total decreases of $1,599.43 in Albemarle, Granville, Mecklenburg, Wilmington and Winston-Salem Presbyteries. Actual amounts needed by these latter five to equal the 1938 Thanksgiving totals are: Granville, $595.62; Mecklenburg, $433.29; Albemarle, $425.94; Wilmington, $120.97, and Winston-Salem, $23.-61.

The only special comment on the standing of the various Presbyteries at the end of February is that pertaining to the spotlight which Orange Presbytery occupied last month. Orange hurdled two other Presbyteries to go from sixth into fourth place, which meant that Mecklenburg and Albemarle Presbyteries dropped back one notch each.

Synodical Group Makes Plans

(Continued From Page One)

about the building. He gave a history of the present Alexander building, praised its one-time usefulness as a wood-work shop but decried its inadequacy and unadaptability as a cottage. He then launched into a description of the new units and was plied with questions by this interested group, who wanted to be fortified with all information possible to carry back to their respective localities. Mr. Milton explained some financial matters relating to the building of the four units.

"Every woman giving something" is the slogan that was adopted on March 5th, and the committee members felt that if this was realized that no difficulty would be experienced in the raising of $10,000 by more than 27,000 women of the Synod. No gift will be too small and all will play their part in the intensive effort to be made by the majority of the Presbyterials, though it was announced by Mrs. A. Jones Yorke that Concord had already pledged $1,750.00 from 23 of the Auxiliaries in her Presbyterial and Mrs. H. M. McAllister, of Lumberton, said that her Auxiliaries were already "beautifully" responding in contributions to the structure.

While the original motion adopted by Synodical said that money and pledges were to be given, the committee felt that contributions could be made in cash by June 30th. Emphasis would not be placed upon pledges, except in those Presbyterials where they were already taken and which were designated as payable this spring.

It was a great meeting, to be sure, and everybody left Sanford that day with a feeling that this project of raising $10,000 by the Synodical would be carried through to a happy completion within the time limit set by the committee. Adjournment was at 2:40 p. m., the noon hour being spent as guests of the Sanford Auxiliary members who served a delicious three-course lunch to all who attended.

Mrs. W. H. Belk, of Charlotte; Mrs. R. F. Reins, of Lenoir, and Mrs. H. M. McAllister, of Lumberton were named as a publicity committee. It was decided by seven of the Presbyterials that day that they would like to have a postcard of the proposed quadrangle, and arrangements are now being made to have these available around April 1st. Five-minute talks before the Auxiliaries, prayer groups, posters, articles in The Messenger and articles in the newspapers will be other mediums of publicity used in presenting this to the ladies of the Synodical.

The committee decided to select the northwest unit of the quadrangle as the one for them to construct. This unit will have a large basement in it which is to be a playroom. It was felt by the committee members that if more than the $10,000 necessary was raised for construction that the surplus funds could be used to furnish the playroom. This will be the central recreation room for all four of the cottages.

Those present for the Sanford meeting were Mrs. Raynal, Miss Louise Clanton, Charlotte, Synodical President; Miss May White, Miss Maggie Barnhardt, and Mrs. A. Jones Yorke, all of Concord; Mrs. L. P. Best, Warsaw; Mrs. W. C. Alexander, Durham; Mrs. W. D. Pearce, Raleigh; Mrs. P. P. McCain, Sanatorium; Mrs. H. M. McAllister, Lumberton; Mrs. B. F. Pollard, Marion; Mrs. R. F. Reins, Lenoir; Mrs. Agnes Cromartie, Garland; Mrs. J. W. Mann, Cedar Grove; Mrs. E. C. Heins, Jr., Sanford; Mrs. Paxton Davis and Mrs. Rufus E. Johnston, both of Winston-Salem; Mrs. W. H. Belk, Mrs. C. L. Potts and Miss Ida Clanton, all of Charlotte; Mrs. J. C. Gardner, Tarboro; Mrs. S. P. Stowe, Belmont; Mrs. Harvey Carpenter, Rutherfordton, and Mrs. Coit M. Robinson, Lowell.

Commencement Speakers

(Continued From Page One)

livered by Rev. Mr. Pritchett. Officials at Barium Springs feel that the Home has been fortunate in getting such a fine array of speakers for the 1940 commencement when 25 boys and girls finish their careers at the Home. Enthusiastic acceptances of the invitation were made by these North Carolina pastors.

Girls in the 1940 graduating class are Johnnie Burgin, Grace Cayton, Agnes Coppedge, Grace Coppedge, Wilma Jessup, Mary Penn Lindsay, Sadie Mills, Isabelle Monroe, Nancy Parcell, Thelma Robards, Gertie Smith and Nancy Stafford. Boys finishing this year are Henry Alessandrini, Howard Beshears, Ed. Cole, John Ellis, Rex Lewis, Rufus Long, John Cole McCrimmon, John Irby McDonald, Walter Mott, James Porter, Clarence Robards, William Smith and Charles Starling.

Orphanage Work Secretary

(Continued From Page One)

age in this Presbyterial I find it a joy to present our share in this work. There is never any need to apologize in the presentation for nobody leans back in their seats sighing "more money?" I've never yet seen a woman who wasn't interested in building a home for children. There is every indication that Albemarle women will come across promptly with their quota.

(Mrs John D.) Daisy Hendley Gold,
Albemarle Presbyterial Secretary of Orphanage Work.
